Contents

1	Second Section	2
1.1	First Second Section	2
1.2	Second Second Section	2
1.2.1	First SS Section	2

This is normal text and *this is in italics* and **this is bold text.**
If we want text IN SMALL CAPS and **this is in type writer.**
Click in the www.google.com or click Here

to write large text. and if we want to write Larger Text. and
we can write huge and Huge to write even bigger texts.

To write small text we can write smaller Text. to write small text use -
for small Text. and we want smaller **scriptsize** and **tiny**

Do this to write text in center

Do this to write text in Left

Do this to write text in Right

To center all below text we use **/centering** and same is the case for **/Large**.
But it has no end.

First Section

1 Second Section

1.1 First Second Section

1.2 Second Second Section

1.2.1 First SS Section
